Financial security and support for Puget Sound
Life is full of competing priorities. Often the things we want to do don’t coordinate with what we know we need to do. If you are in or approaching retirement, you know that one priority is making sure you have enough income. Yet, you may also want to continue your support of favorite charities. Saving and charitable giving don’t have to be competing priorities. Enter the Puget Sound charitable gift annuity!

The benefits of establishing a charitable gift annuity
A charitable gift annuity is simple. You make a gift to Puget Sound of cash or appreciated securities, and Puget Sound agrees to pay up to two individuals a fixed income for life. The payments never fluctuate and are not affected by changes in the economy or financial markets. Puget Sound will give you a simple agreement for your records. Then just wait for the payments. In return for your gift, you will get an income tax charitable deduction for a portion of your gift. In almost every case some of your annuity payments will be partially tax-free for a time.
